FOUNDER'S DESK

Business Policies:

Mark Safety Appliances shall strive to enhance customer satisfaction by providing excellent quality products and services with complete workplace safety solutions keeping customer requirements and quick delivery in focus. We shall continually improve our business processes.

We thrive to become leading safety solutions provider and believe that; saving human life and property by providing quality products and services shall be our prime focus and to deliver it effectively, our moral responsibility. To prevent hazards, control potential loss and raise awareness about occupational safety and health is our ultimate goal.

To deliver world class industrial safety products and render effective and expeditious services to our customers.

Our best is yet to come...

Nilesh Zaveri

Founder
Mark Safety Appliances

Certificate of Achievement

This is to certify that

Nilesh Zaveri

has successfully completed the course assessment and examination for the

Occupational Health and Safety Management Systems Auditor/Lead Auditor Training Course

which is certified by the Governing Board of the Institute of Quality Assurance (IQA), International Register of Certificated Auditors (IRCA) and meets part of the training requirements for certification as an

IRCA OH & SMS Auditor / Lead Auditor

Held on: **21st - 25th July 2003**

at: **Lonavla, India**

Signed: 

Training Manager

Date: **5 September 2003**

INDUSTRIAL WAREHOUSE

Well-equipped business processing system in place to render effective and expeditious services to customers.

- 17000 sq. ft. area warehouse to accommodate more than 500 SKUs.
- Spacious and systematically arranged Inventory Management System as per 5S Practice.
- Well-equipped refilling and maintenance workshop.

OUR APPROACH

Consultative selling through survey, consultancy, supply and training. We focus to deliver the right products, to right people at right time and manner.
